June 2018

Canada Day

Canada Day is a designated holiday within the terms of our collective agreement.

Employees who are regularly scheduled to work Monday through Friday:

- ✓ when the holiday falls on a Sunday, the following Monday will be a day off in lieu.
- ✓ When the holiday falls on a Saturday, the previous Friday will be a day off in lieu.

Employees whose regular days of rest are not Saturday or Sunday, the holiday will be observed on the day it occurs.

The Government of Canada decides which day will be observed as Canada Day when July 1 falls on a Saturday or Sunday. **In 2018, the Federal government declared the holiday is to be observed on Monday July 2.**
