

April Dolha

Nominee for CUPE 5430 Rural Vice-President

Since 2016, I have represented CUPE 5430 as a Shop Steward, then Facility Representative for Southeast Integrated Care Center. I have attended many CUPE Education days, rallies, and any conference I could to gain as much knowledge as I could for Members. I have been on committees such as MAC/PAC, and the OH&s. Most of the members at SEICC knew I was always available, and happy to help. I believe in a strong labor movement, solidarity among workers, and union values. I will work extra hard to keep that strong!!
