

# RE-ELECT

## Adrienne Gardiner for General Vice President

I am seeking your support for re-election as General Vice President for CUPE 5430 – Region 4. I have been your General Vice President for the past 2 ½ years, and sit at the Provincial Executive table, also active in the bargaining of the COVID LOU and the recent bargaining regarding the tentative Collective Agreement with the SHA. I am also Executive Liason for the Workload/OH&S Committee and the Bylaws Committee. I sit on the Provincial Grievance Committee, Joint Job Evaluation Committee, and SPAG (Safety Partnership Advisory Group). I have been involved in bargaining meetings, AIMS and numerous other provincial meetings.

Previous to being your General Vice President, I was a Facility Rep for 5 years, member of the MAC/PAC Committee, assisted with creating the new Bylaws for CUPE 5430, and was involved in the Nation Builder project.

Thank you for your past support and I look forward to your support in the upcoming election.

I have been a Health Care Worker for 32 years and Union Activist for most of those years. I have served in the following roles in our Legacy Locals: Recording Secretary, Secretary –Treasurer for 2 of the Locals totaling 17 years, Facility Vice President at Weyburn General Hospital and shop steward. I have been on the OH&S, Communications, and Workload committees. I have worked with the Member Action and Aboriginal committees. When the Locals amalgamated I served as Regional Vice President from 2018-2019.

I have been a member of the Provincial Employment Strategy Committee for 10 years. I was reappointed to the committee this fall for another 2 year term. In June, I was appointed to the Provincial Benefits and will work with the Rehabilitation Committee.

As an activist I have taken education courses such as Discipline and Discharge, Mental Health First Aide, OH&S/Workload and Labour Law to benefit our members when representing them.
